Time to Connect

Welcome to x2 Connect
Bosch Video Partner Program

Connecting with the right partners is the key to success. As a system integrator, you continually strive for growth and development. You need a partner that can help and a partner you can trust. To support you with this, we now offer the x2 Connect, Bosch Video Partner Program.

x2 Connect is built to connect you with the sales tools, education and practical business support that will help you build your business today and create new business in the future. It's based on shared goals and shared success.

Why a partner program?

As a system integrator, you are always looking for new and value-added support to grow your business. At the same time, you need to stay up to date in this dynamic Internet of Video Things era. The x2 Connect, Bosch Video Partner Program exactly fits those needs, providing you with extensive benefits based on your membership. You'll get value-added sales and marketing and product support, according to your membership level.

Extensive benefits for system integrators

The Bosch Video Partner Program is built on four levels – Silver, Gold, Platinum and Diamond – which are based on your annual purchases of Bosch video products. The higher your level, the more benefits you have. These include:

- ▶ Sales and after-sales assistance
- ▶ Marketing support
- ▶ Training
- ▶ Events
